

# Advanced & ADHD Coach Training Schedule

Advanced coach training courses are open to our foundation graduates *AND* to coaches trained in other programs who have a minimum of 60 coach-specific training hours and 75 paid coaching client hours. (Exceptions are noted.) Each course stands on its own. Courses may be taken in any order.

These courses, integral to our **ICF Accredited Coach Training Program (ACTP)**, support five coaching credentials. Each course has **ACSTH (Approved Coach-Specific Training Hours)** status (and is therefore **CCE**-qualified). Our Mentor/Lab-Style courses (CCI, AGMC, GMC) satisfy ICF-IAC certifying and re-certifying requirements.
