

## Schedule Structure for Certificate-Mandated, Advanced Courses

Our course scheduling structure is provided so you can make training plans toward certification. The exact dates and times of scheduled courses are available on the [Advanced Training Schedule](#) or [Registration Page](#). Training is offered through Coach Approach for Organizers™ and credentialing is administered through the affiliated Institute for Applied Coaching™.

Our PCC-level training is an ICF Accredited Coach Training Program (ACTP). Program components (individual courses and our *Certified Organizer Coach Foundation Program*) are considered ICF ACSTH (Approved Coach-Specific Training Hours). Coaches from other programs are welcome in the courses, but not eligible for the credentials.

**To earn one of these credentials one must first graduate from the 60+-hour, five-course, Coach Approach Certified Organizer Coach Foundation Program** (*Coaching Essentials, Strengths-Based Coaching, Brain-Based Coaching, Life & ADHD Coaching and Organizer Coach Integration*), before taking the required advance training.

Credentialing also requires mentor coaching, client coaching hours, and competency evaluations. For more info, see the *Mentor/Lab-Style Courses (CCIs, GMC, AGMC)* on the [Advanced Coaching](#) page and credentialing requirements on the [Credentialing Programs](#) page.

Either of the two options (below) is required for this credential:

**COC -- Certified Organizer Coach**  
70 hours of coach training  
(including foundation training)

Organizer Coach Practicum  
6 alternate-week sessions, fall  
(an Independent Project is part of this course)
